PROJECTS

E-Commerce Data Analysis [↗](#)

MySQL, SQL

- * Solved multiple real-world e-commerce business problems using MySQL to analyze customer, order, product, and sales data.
- * Developed SQL queries using JOINS, WHERE, CASE statements, GROUP BY, aggregate functions, and CTEs (WITH) to perform detailed data analysis and create intermediate result sets.
- * Analyzed sales trends, customer behavior, product performance, and order patterns to generate meaningful business insights.

Customer Shopping Behavior Analysis [↗](#) | Python, Pandas, PostgreSQL, SQL, Power BI

- * Developed an end-to-end data analytics project involving data loading, EDA, data cleaning, and preprocessing using Python and Pandas.
- * Loaded the cleaned dataset into PostgreSQL and performed SQL analysis to identify customer behavior, sales trends, and product performance.
- * Built an interactive Power BI dashboard to visualize key KPIs, customer insights, and purchasing trends.

Cryptocurrency Market Data Pipeline/Analysis [↗](#)

Python, Pandas, REST API, CSV, Seaborn, Matplotlib

- * Developed an automated Python pipeline to extract cryptocurrency data from the CoinMarketCap API and store historical records in CSV format.
- * Analyzed cryptocurrency percentage changes across multiple time intervals (1h-90d) and visualized performance trends using Seaborn and Matplotlib.

EXPERIENCE

Associate Trainee – BI Analyst — K2 Ventures

- * Working on Business Intelligence and data analysis tasks as part of the BI team.
- * Using SQL, Excel, Power BI, and Python for data analysis and reporting.
- * Supporting data-driven reporting, dashboard development, and business analysis.
- * Created Power BI dashboards to present data insights.
- * Used APIs to collect and automate data for analysis.

CERTIFICATIONS AND ACHIEVEMENTS

- Top 5 percent Performer – Physics Wallah Masterclass (2024): Delivered highly-rated complete e commerce app simulating a real online platform.

EDUCATION

Bachelor of Computer Application

Indira Gandhi National Open University -

2021 – 2024
